The Breakage Fee is to cover all losses to the College caused by careless breakage or otherwise by the students. Each loss is divided proportionately among the students, and the unused balance of each fee refunded at the close of the year. In case the loss is known to be caused by any particular student, the whole amount is charged to his account.

Except in cases of extended illness, no money will be refunded for long continued absence or withdrawal from the College.

Students entering late in the session will be charged according to the date of entrance.

UNIFORM.

The Cadet Uniform of substantial grey cloth, which is required to be worn by students at all times, is made by contract with the tailors at a much lower price than it could be furnished to individuals. The student's measure is taken after he arrives at the College, and the fit is guaranteed. The cost of the entire outfit,—coat, trousers and cap, is about \$14.39. Payment must be made for this at the time of entrance.
